

**THE BROOMFIELD BULLETIN:**  
**UPCOMING EVENTS AND ANNOUNCEMENTS**

DR. VANESSA EWING

WEEK OF: APRIL 27TH 2009

BROOMFIELD  
ACADEMY

Broomfield Academy Families,

Thank you for your support of our school through your active participation at our Spring Arts Program through your donation of time, participation in our auctions, and food hospitality last week. Next week we begin our fun year-end events including our **fourth annual Sock Hop on Friday** (6:30 - 8 pm) at the Church Fellowship Hall) and our **third annual MS Walk on Saturday** beginning at 9 am in Boulder. If you would like more information on these events, please contact the front office. These are two terrific ways to show support for our school and community, stay active, and enjoy one another's company. **Beginning Monday we will also be celebrating Teacher Appreciation Week** to honor the amazing staff at our school.

As a few reminders as we enter our last weeks of school for the 2008-2009 school year: please **remember to dress your child according to our dress code each day**. At this time of the year navy blue or khaki shorts may also be worn on warm days. Please also remember to **sign your child in and out with the front office and walk them to class if coming early or late**.

For children in **Junior Kindergarten and JK Explorers**, you should **sign your child in and out for the day in the den or front lobby regardless of when you come to school**.

Last, **we are taking several swine flu health precautions at Broomfield Academy**. Given the recent national and international news regarding swine flu cases being reported in Mexico, parts of Europe and in the US, I wanted to let you know what steps we are taking to assure the safety of our children and staff. The school administration is receiving situational updates and recommendations directly from the Broomfield County Department of Health and Human Services. We are also monitoring the news and are sending students home who exhibit flu-like symptoms at school. As a reminder, please make sure to take extra care to wash hands to avoid spreading germs. If you or your child exhibits signs of the flu, stay home and contact your health care provider. If you have any additional questions, do not hesitate to contact me or the school.

I hope you have a fun upcoming weekend with your family.

Regards, Dr. Ewing

## **Operations and Facilities Column**

Front office work this week focused on the completion of contracts for the upcoming school year, as the school finalizes staffing and room configuration. Operations work focused on facilities planning, reviews with fire prevention representatives and with city health and officials. The boilers were inspected and certified. Various repairs were done on heating and plumbing. Work was done to start up some of the sprinkler systems and swamp coolers as well. Pool plans were updated and resubmitted for review. Sign permits were reviewed. Fertilizer with weed control was applied to the grass and field. Mowing and other spring cleanup continued.

Please feel free to contact me or the front office with any questions, concerns or suggestions you might have. My email address can be found on the school website. Michael

## **Announcements:**

**Sock Hop, Field Day, and Awards Program Preparation Begins** - During the month of May these fun annual events will be occurring. Each year we depend on our amazing family volunteers to help us coordinate these events. If you would be interested in helping with the preparation before, supervision during, or take down after these events, please contact the front office. It is hard to believe it is almost time for our end of the year events!
